Comfort Engineering

RAS-D
RAS-C

We don't believe in knocking Bi-directional valves, so ours don't.

Bi-directional radiator thermostats

- Simple to fit, valve can be installed in either flow or return, regardless of water flow direction.
- Sensor can be mounted horizontally or vertically with simple snap lock fixing.
- Easy installation drastically reduces call backs.
- Quiet in operation.
- Bi-directional valves are standard on both RAS-D and RAS-C Combi-Packs.
